

POST-SALE PACKAGE: WHAT YOU GET

Viora's Post-Sales package offers superior clinical, technical, and marketing support; ensuring our partners can simply and efficiently treat, market, and sell Viora treatment packages.

ON-SITE INSTALLATION & TRAINING

Viora's team of Advanced clinical trainers and practice development consultants work on-site for 1-3 days to establish confidence and comfort operating the equipment, marketing the treatments, and selling packages! The clinical package is valued \$2,000-\$6,000; all Viora practices receive this offer for FREE.

VIORA ACADEMY

Our Clinical and Marketing teams produce regional training seminars in all major markets throughout the year. Viora practice's are welcome to attend the trainings for FREE.

UNLIMITED VIDEO CONFERENCING

Have staff turnover? Clinical questions? Looking to launch a new promotion and need ideas? Our practices can coordinate unlimited free video conferencing with our clinical and marketing teams.

ACCESS TO VIORA PORTAL

Clinical and marketing tools are made available on Viora's private portal; practices have access to workbooks, tutorials, media and more!

SEARCH ENGINE OPTIMIZATION SUPPORT

Viora has partnered with the industries leading online marketing providers to ensure our practices have access to tools and support for their website and search engine goals. Tailored packages are made available when launching treatments.

GLOBAL WARRANTY

Our comprehensive warranty offers more than technical and clinical support; Viora's global warranty covers the cost of consumables to ensure the lowest cost of ownership.

CO-MARKETING & OPEN HOUSE EVENT SUPPORT

Going beyond on-site support; our skilled team trains the practice's staff on event best practices while offering strategic tools, materials and tactics Viora Academy for unmatched success.

EXCITING NEW MARKETING TOOLS AVAILABLE!

As part of their new Viora Life branding campaign, practices now have access to a suite of semi-customizable marketing assets for each hand piece. Each suite includes ready-made artwork for a poster, roll up banner stand, animated social media gif, a patient brochure and an educational e-blast with room to add in your own promotion. A sample of the full suite for V-IPL is shown below, along with the full set of posters across all hand-pieces.
